

Virtual Deskside Briefing: Thursday, **September 7th**

A New Era of Mental Health Care: Timely Access to Specialized Treatment is Now in Maryland

Supporting Adolescents, Young Adults, and Adults

Who should join:

School leaders, clinicians, and interested community members are warmly invited to a special Deskside Briefing.

Discover how Compass Health Center’s comprehensive programs can support your children, students, and clients. Based in Illinois, Compass is bringing its specialized approach to Silver Spring, Maryland and will offer the Compass Virtual Program across the state.

Hear from Maryland educators as well as Dr. David Schreiber, MD, and Erin VanLuven, LCSW-C, leading advocates in mental health, as they introduce Compass Health Center’s innovative approach.

You will learn about:

-  Commitment to providing timely access to mental health care
-  Evidence-based, comprehensive, and specialized treatment approach
-  Diverse treatment modalities for adolescents, young adults, and adults

Presenters:

Dr. David Schreiber, MD
