Art Documentation Workshop

Need help photographing your artwork for your portfolio? Take an Art Documentation Workshop to learn how to properly photograph your artwork.

June 22, July 20, August 17, September 7, & October 12

Art Documentation Open Studio

Art Documentation Open Studio provides the space and equipment for you to properly photograph your artwork. We suggest taking the free workshop before signing up for open studio time, as instruction is not provided.

June 29, July 27, August 24, September 14, & October 19

Portfolio Day

Meet with art college admissions teams, get information, and/or have your art portfolio reviewed before applying to colleges and universities.

September 21

Free to attend! Registration required!
