

Kingdom of the Poor Book Discussion

Speaker: Katie Seigenthaler

Moderator: Christine Hides

Culbertson Room

In the months before he died in August 2023, Nashville priest Father Charles Strobel wanted to document the stories of unconditional and nonjudgmental love he'd told most of his life. Founder of a national model of care for the unhoused called Room In The Inn, Strobel hoped his final recounting of the people who had shaped his life—all of them poor in body, spirit or both—could help heal a broken world.

Strobel completed his memoir with the help of his niece Katie Seigenthaler and colleague Amy Frogge, who served as the book's editors after Strobel's death. On January 13, Seigenthaler will appear in conversation with the Rev. Christine V. Hides to discuss *The Kingdom of the Poor* at Kenilworth Union Church. All are welcome.
